We collect used fryer oil from the metro Atlanta, GA and Knoxville, TN regions, and recycle it into high quality BIODIESEL. We are a division of Clean Energy Biofuels. We are registered with the Environmental Protection Agency (EPA) and a National Biodiesel Board member manufacturer of ASTM spec biodiesel. Our biodiesel is the "greenest biodiesel" because we use oil collected regionally, transported by trucks running on biodiesel, and sold in the area markets. Contact Claudio Bauza at 678-777-7952

Bars give up about 20 percent of annual sales to overpouring, illicit freebies and theft. At Bevinco, our job is to eliminate that loss and put it back in your bottom line. We guarantee to increase profits by 10% of alcohol sales and reduce shrinkage to 5 percent or less. Bevinco's weekly service compares product usage to sales for every drop of liquor, beer and wine dispensed, while Bevinco's reports detail product usage by brand, help in the detection of theft and provide insightful consultation to ensure prevention.
