We are the only company in Canada to fully operate using the e-Classic ATM Management Pro software package. This very sophisticated platform is recognized globally as the premier operating platform for ATM debit transaction reporting and terminal management and is the basis for most major international ISO operations. Our ATM Management Pro software has been uniquely modified and integrated with peripheral software to accommodate bilingual reporting as well as the complex variations in federal and provincial sales taxes. For more information contact Dean Pieteron at 1-888-289-3939 ext 2266
