

# Sysco Lakeside

(902) 876 - 2311

Everyday, Sysco Lakeside delivers the safest, highest quality food service products and offers industry leading customer support, such as profit workshops and menu development. Sysco continually works with suppliers and customers to shape the future of food service, while placing great importance on supporting our community.

Sysco Lakeside has developed lasting partnerships that ensure our customers continue to receive the types of products

Snapfinger is the nations largest and most complete restaurant search and remote ordering site for take-out, delivery and catering from restaurants. Snapfinger allows the customer direct access to restaurants through each locations interactive menu. With access from the web, cell phone or from a toll free number, Snapfinger offers the industrys first Mobile Menu Application allowing restaurants to create a mobile access point to their web site and increase sales. Sysco Customers receive 50% discount. For more information, please contact Chase Garrett at 949-244-2991.

Executive Dining Club can provide you with an inter-active web site that will allow your customers to order food directly over the Internet. We can either build you a web site from scratch or link our system in to your existing web site. And best of all, all you need is a fax to accept the orders. EDC does the rest! Our turn-key solution will have you online and taking orders over the Internet in less than two weeks. EDC's technology makes it easier for patrons to order and easier for you to process orders. EDC will improve the your bottom line, enhance the your image and build a valuable data base at the same time. Call John Fetterolf at 914-276-3061 for more information

MICROS is the global leader in the restaurant industry. MICROS is the only full-systems solutions provider for all market segments with a global distribution and service network in place for major chains, regional chains, local independents, table service and the quick-service market. MICROS provides restaurant information systems comprising hardware and software for point-of-sale (POS) and operational applications, as well as a suite of back-office applications. TD Merchant Services, part of The Toronto-Dominion Bank, is a Canadian-owned and -operated payment solutions provider. TD Merchant Services has been established and trusted in the payment solutions industry for over 30 years. We offer competitive rates on debit and credit card transaction processing, as well as preferred pricing for restaurants. For more information please contact Mark Leslie at 250-217-1571

We are the only company in Canada to fully operate using the e-Classic ATM Management Pro software package. This very sophisticated platform is recognized globally as the premier operating platform for ATM debit transaction reporting and terminal management and is the basis for most major international ISO operations. Our ATM Management Pro software has been uniquely modified and integrated with peripheral software to accommodate bilingual reporting as well as the complex variations in federal and provincial sales taxes. For more information contact Larry Sturino at 416-247-0200 ext 2223
