

# Sysco Regina

1-800-667-6056

Everyday, Sysco Regina delivers the safest, highest quality food service products and offers industry leading customer support, such as profit workshops and menu development. Sysco Regina has developed lasting partnerships that ensure our customers continue to receive the types of products and services they need.

MKC provides full service management solutions to include consulting, logistics and on-site planning, and technical support through education and orientation. On-site personnel handle equipment maintenance and fabrication requirements. For information please contact David Craig at 1-866-691-6462

Bars give up about 20 percent of annual sales to overpouring, illicit freebies and theft. At Bevinco, our job is to eliminate that loss and put it back in your bottom line. We guarantee to increase profits by 10% of alcohol sales and reduce shrinkage to 5 percent or less. For more information please contact Krista Dinsmore at 416-490-6266 x301

Executive Dining Club can provide you with an inter-active web site that will allow your customers to order food directly over the Internet. We can either build you a web site from scratch or link our system in to your existing web site. Call John Fetterolf at 914-276-3061 for more information

The menu is the heart of every restaurant so that's where we usually begin. Focus Marketing offers several options to address your particular concerns, enabling us to find the perfect fit for your operation. Please visit Focus design galleries to see samples of our work. Call 800-380-6348 for more information

eCube consists of a food simulant contained in a double-skinned enclosure that mimics food temperature at approximately 15mm beneath the surface. With eCube, the thermostat regulates the refrigeration temperature based upon food temperature rather than air temperature, thereby maintaining food at the proper temperature. For more information call 877-99-ECUBE

We are the only company in Canada to fully operate using the e-Classic ATM Management Pro software package. This very sophisticated platform is recognized globally as the premier operating platform for ATM debit transaction reporting and terminal management. Contact Larry Sturino at 416-247-0200 ext 2223
