

Partnering to give you great rates on natural gas and electricity

# We can help control your energy costs.

Sometimes the cost of doing business is predictable. But when the cost of natural gas and electricity fluctuates in the general marketplace, it can take your monthly budget for a ride. Now, through a partnership between **Sysco iCare** and **MXenergy**, one of the leading energy companies in North America, you can **take control of your energy costs**.

## Bottom line... it's good for yours!

See how we can help control your energy costs. Ask your Sysco representative about MXenergy or contact us today!

## You know how important great service is to your customers. So do we.

We work hard to deliver great energy rates. And if you have questions, we are always available with answers. You'll have a personal MXenergy representative who wants to get to know you and your business so we can better serve your individual needs.

## Control your energy costs and save the planet. Let's go green together!

MXenergy has been a carbon neutral company for several years. We have offset the carbon emissions created by everything from our lighting, computers and office machines by purchasing carbon offsets. Talk to us if you would like to reduce or eliminate your carbon footprint. To learn more, visit [www.mxearth.com](http://www.mxearth.com) or let your Sysco iCare representative know and we'll help you to go green.

## With our Employee Discount Programs, everyone benefits.

MXenergy can put together a comprehensive employee energy discount program so your entire staff can enjoy great energy rates at home. MXenergy Employee Discount Programs can be a creative and effective addition to your company's benefit package, and one more way to help retain your employees.

## You serve your community. We'd like to join you.

As a member of your local business community, you know what is important to your customers. We feel the same way. Beyond offering natural gas and electricity, we organize clothing and food drives in many communities and sponsor events which can benefit local groups. Let us know how we can work together to serve your community!
